Footsteps Into Medora's Past

Take a step back in time on a guided walking tour of historic Medora. Learn about the days when our twenty-sixth president ranched in the badlands and what has happened in the 125 years since.

Museum Theater

“Recollections of Murder & Mayhem”

Professional actors present this exciting museum drama that takes place in the old Billings County Courtroom of the Billings County Museum. Listen to the recollections of the newspaper editor, a local cowboy, and a saloon keeper from 1885 as they talk about the conflict between cowboys and outsiders over land use and barbed wire that led to the Marquis de Mores being charged with murder.
