

29th Annual Water EXPO
Call for Presentations Form
Wednesday, February 11-13, 2015
Best Western Ramkota, Bismarck

Exhibitors have the opportunity to provide training sessions and demonstrations to board members, water/wastewater operators, managers, and other administrative personnel during EXPO 2015. The overall goal of the training sessions and demonstrations is to improve the technical, managerial, and financial knowledge of water/wastewater system personnel and decision makers.

If you or someone from your firm would be interested in scheduling a demonstration in the exhibit hall or presenting a formal classroom training session, please submit the following information to Andy McDonald at amcdonald@ndrw.org. **The deadline for presenter requests is November 14, 2014.**
