

North Dakota Rural Water Systems Association
and
Member Water/Wastewater System
Geographic Information System (GIS)
Mapping Agreement

In conjunction of the mutual covenants contained herein; it is agreed between the North Dakota Rural Water Systems Association (NDRWSA) and _____(System), as follows:

The North Dakota Rural Water Systems Association (NDRWSA) makes this service available to member water/wastewater systems in an effort to map the components of the water distribution/wastewater collection systems.

For GIS mapping, the North Dakota Rural Water Systems Association (NDRWSA) will provide the following:

- Mapping equipment (receiver and tablet) for use in mapping.

The member water/wastewater system will provide the following:

1. No less than one (1) person familiar with the water/wastewater collection system to assist our staff in locating curb stops, gate valves, hydrants, etc.
2. The system **must have** surface features (i.e., curb stops, valves, hydrants, etc.) to be mapped located **prior** to mapping date.
3. The system agrees to pay the appropriate fees to NDRWSA for the equipment's use. The fee for the use of the equipment is required to cover NDRWSA's cost of repairing and maintaining equipment for member system usage.
4. System must obtain a subscription to a mapping software of its choice to access its map.
5. Checks are to be made payable to the North Dakota Rural Water Systems and mailed to:

2718 Gateway Ave. Suite 201,
Bismarck, ND 58503
